# IOTAS Building Map

Map based on Longitude (generated) and Latitude (generated). Color shows details about Building Name. Details are shown for Zip Code, State 2 and Property Manager Report Link. Map coloring shows 2018 Renter Occupied Housing Units by State. The data is filtered on Status, Pmi Integrations, City and Ztate. The Status filter keeps LIVE. The Pmi Integrations filter keeps multiple members. The City filter keeps 97 of 97 members. The Ztate filter keeps 36 of 36 members. The view is filtered on Building Name, Manager First Name as an attribute and Email as an attribute. The Building Name filter keeps multiple members. The Manager First Name as an attribute filter keeps no members. The Email as an attribute filter keeps no members.
